Directions

1. In a large skillet over medium-high heat, heat oil. Add zucchini and cayenne pepper. Cook until zucchini is semi-soft, about 5 minutes.
2. Add corn & spinach. Cover & cook until tender, stirring a few times, about 5 mins more. Remove from heat.
3. Add black beans to the veggie mixture. Stir to combine. Smash beans lightly with a fork. Add 1–2 teaspoons water to make a bean-and-veggie paste.
4. Spread vegetable mixture evenly on half of each tortilla. Add grated cheese. Fold tortillas over. Press lightly with spatula to flatten.
5. Spray skillet lightly with non-stick cooking spray. Heat over medium/high heat. Add one folded tortilla. Cook about 4 minutes per side, or until both sides of tortilla are golden brown. Repeat until all are cooked.
6. Cut each quesadilla into 2 wedges. Serve while hot.

Recipe Notes

- Add your favorite veggies to the filling. In place of zucchini and spinach, use up leftover cooked veggies like collards, squash, or bell peppers.
- To cut costs, use frozen spinach. Defrost, drain, and squeeze completely dry before adding.
- Top with low-fat yogurt or salsa.
- Use the remaining beans in a soup or to top a salad.
- Compare labels for sodium/ saturated fat and look for no trans fat when selecting whole wheat tortillas.
