

MEAL KIT SHOPPING LIST INSTRUCTIONS

After downloading the selected store chain's shopping list either print the document and use the checklist to find ingredients in-store or click on the "Order Meal Kit Now" button to transfer to your preferred store chain and order ingredients online.

If shopping online please complete the following steps:

- Login or create a new online store chain account.
- Select your preferred store chain location using your account.
- Individually copy and paste each "Item Name" from the shopping list into the search bar and press enter.
- Locate the matching item name in the search results.
- Press "Add to Cart" and hit the plus symbol till it matches the recommended item number.
- Once you have added all the items to your cart review your cart and subtotal. You can add or remove items based on taste preference, allergy restrictions or budget requirements.
- Hit the "Checkout" button if you are satisfied with your order!
- At this time you can change your store location and either choose Delivery or Store Pickup depending on store chain availability.
- Hit the "Continue to Payment" button. Select EBT card as your payment method. You can either pay online using EBT or at the store upon pickup depending on the selected store chain.
- Refer back to the selected Meal Kit webpage where you downloaded the shopping list to download and follow the recipes!

Note: The Meal Kit list of ingredients is a suggestion. Similar ingredients may be purchased based on preference, diet restrictions, budget and location. *Average store price - varies by availability and weight.
