

Being more physically active is one of the best things you can do for your health, and it doesn't have to be hard or involve the gym.

Get social

Get active with your friends instead of going out to eat.
Go for a hike, walk around the mall, or play an exercise-themed video game.

Keep cool in the pool

Don't like to sweat? Hit the local community pool for a swim, water polo, or water aerobics class to stay cool while exercising.

Move more at work

Fit more activity into the workday. Stand during phone calls, use a printer farther from your desk, and get up to stretch each hour.

Stay on track

Use **SuperTracker.usda.gov** to track your activity. Sync your FITBIT® for easy entry and join a challenge for friendly competition.

Do something new

Develop a new skill to kick-start your motivation. Sign up for a class to learn how to salsa dance, surf, do tai chi, or play a sport.
